

HAPPY NEW YEAR 2025

Message from the President and CEO of Dade County Federal Credit Union

As we reflect on 2024, I am filled with immense gratitude for the loyalty of our members and the dedication of our staff. Together, we have achieved remarkable milestones and strengthened our position as a trusted financial institution.

We are thrilled to announce the Grand Opening of our Pembroke Pines branch in early 2025, marking a significant step in expanding our presence in Broward County. This new branch will provide greater convenience and accessibility for our members in the area. Earlier this year, we successfully hosted our first car sale in Broward County, underscoring our commitment to serving this growing community. These efforts represent just the beginning of our journey to unlock the potential of this market, and we eagerly look forward to further growth in the coming years.

In 2024, we proudly supported hundreds of small businesses through our RISE loan program, empowering entrepreneurs to achieve their dreams. This year, we also began offering merchant processing services, providing small businesses with the tools they need to manage transactions efficiently and grow their operations.

Recognizing the evolving needs of our small business members, we are excited to announce the launch of our new business credit card in 2025. Designed to offer customized financial solutions, this product will further reinforce our role as a trusted partner in the success of business owners. Additionally, we are introducing new business programs in 2025, tailored to both small and large businesses in the community. We believe these services will provide valuable support to local businesses, helping them grow and thrive, which in turn strengthens the communities we serve.

Beyond traditional financial services, we are committed to going above and beyond by positioning ourselves as a true community hub—one that offers not only financial services but also health initiatives, educational programs, and more. Through our free health and fitness programs, such as the Walk/Run Club and Zumba classes, we have fostered a sense of belonging while promoting healthy lifestyles. Looking ahead, we will continue to embrace initiatives that support our communities in achieving their goals, whether they relate to financial success, health, or personal growth. Our mission is to be there for our members, empowering them every step of the way.

Looking toward 2025, we remain steadfast in our commitment to safeguarding your financial future and delivering cutting-edge technology. Dade County Federal Credit Union is dedicated to ensuring that your financial information is protected and that your banking experience remains seamless and efficient. In addition to enhancing our digital platforms and security measures, we are continually investing in innovative tools and services designed to make banking more convenient and accessible. Our goal is to provide you with the most advanced solutions, whether through mobile banking, personalized financial advice, or new features that streamline your financial management.

Thank you for being a part of our journey. Your trust, loyalty, and support have been integral to our success, and we are grateful for the opportunity to serve you. Together, we look forward to an even brighter future, filled with new opportunities, continued growth, and a shared commitment to strengthening our communities. As we move forward, we remain dedicated to providing you with exceptional service and innovative solutions to meet your evolving needs. Here's to a future of continued partnership, success, and mutual prosperity.

Warm regards,

George Joseph
President/CEO

Gobble 'Til You Wobble: A Thanksgiving Turkey Drive Success Story!

Thanksgiving is a time for gratitude and giving back, and we here at Dade County Federal Credit Union were thrilled to spread some holiday cheer through our turkey drive!

Our Miami Gardens and Homestead branches transformed into drive-through turkey distribution centers! Cars lined up, filled with smiling faces excited to receive their free Thanksgiving centerpiece. It warmed our hearts to see the community come together and support this initiative.

We also teamed up at the Boulevard Heights Community Center, with Broward Community Partners, Reaction Realty Group, and the Law Offices of Michael Garcia, providing full Thanksgiving meals to families in need. It was a truly heartwarming experience to help ensure everyone in our community had a delicious holiday meal to enjoy.
