Honoring Harry A. Wright – A Legacy of Service

On June 24, 2026, our community came together to celebrate and honor the remarkable legacy of Harry A. Wright with the official unveiling of a street bearing his name. The street, located on NW 15th Street adjacent to Dade County Federal Credit Union's main branch in Sweetwater, stands as a lasting tribute to Harry A. DCFCU Gives Back at 3rd Annual Back-to-School Haircut Event

As students prepare to head back to the classroom, DCFCU was proud to support local families at our **3rd Annual Back-to-School Haircut Event**, at Somerset Preparatory Academy Charter School, North Lauderdale. This community initiative focuses on helping students start the school year with confidence.

Through the generosity of our partners, volunteers, and talented barbers, families enjoyed free haircuts, school supplies, food, and snacks, helping reduce back-to-school expenses while ensuring students were ready for a successful school year.

Thank you to everyone who participated, volunteered, and supported this year's event. We look forward to continuing this tradition and making an even greater impact on our community.
