A Day of Community and Small Business Spirit!

What a day! On September 6, 2025, we hosted a fantastic Small Business Farmers Market at our Pembroke Pines branch, and the energy was incredible. Twelve talented local businesses joined us as vendors, creating a vibrant space filled with unique products, delicious food, and great music. It was heartwarming to see our members and the wider community come out to support these businesses and the Credit Union. This event was a true testament to the power of shopping small and the strong bonds within our community.

From handcrafted goods to fun activities, there was something for everyone to enjoy. Guests also sipped coffee, sampled tasty snacks, and connected with passionate entrepreneurs, making it a memorable day of celebration and connection.

Thank you to everyone who joined us and helped make this event unforgettable. We can't wait to host another one!
