

JANUARY 2024

A Message from Dade County Federal Credit Union's President & CEO

As we begin a new year, I am optimistic about what lies ahead for our credit union, and I am excited to share some updates that highlight our commitment to meeting your evolving financial needs.

Celebrating Growth and Technological Advancements

Our ongoing pursuit of technological excellence has led to significant advancements and expansions. We've revamped our infrastructure to ensure that our services are not just efficient, but also meaningful and tailored to your needs. Our online and mobile banking platforms have been significantly enhanced for those who prefer digital interactions, yet we remain steadfast in our belief that technology should complement, not replace, the fundamental needs of our members.

Branch Updates - Bringing Services Closer to You

We are excited to announce the relocation of our Hialeah branch to a more prominent, spacious, and technologically advanced location. This move is a testament to our dedication to serving this vital area of the county more effectively.

Our partnership with Walmart continues to flourish as we reopened our branch within the Miami Gardens Walmart store. This full-service branch alleviates the high demand in the area and offers added convenience for our members in the northern part of the county.

A Milestone Achievement: Entering Broward County

In a historic move for our credit union, we are expanding into Broward County. We recognize that many of you navigate life across county lines, and we are here to support that journey. Our commitment to providing exceptional financial services transcends Miami-Dade, and we eagerly anticipate the opening of new branches in Broward County.

Aligning with Your Financial Goals

Your financial health and happiness are at the core of everything we do. A recent USA Today survey found that many citizens are prioritizing saving money, reducing credit card debt, and planning for major life events - goals that resonate deeply with us. Our credit union offers competitive rates for mortgages, car loans, and savings accounts. We are equipped to assist you with financial planning, debt consolidation, retirement planning, and innovative saving strategies.

At Your Service, Now and Always

As we move through 2024, rest assured that every decision we make, every service we enhance, and every branch we open is with you in mind. Our mission is not only to be your credit union but also a trusted partner in your financial journey.

We look forward to another year of growth, prosperity, and financial well-being.

Thank you for your continued trust in Dade County Federal Credit Union.

Warm regards,

George Joseph
President/CEO

DCFCU Toy Drive!

DCFCU is all about giving back! This holiday season, we hosted a toy drive and with the help of our community partners, we collected over 500 toys for children in need in our community. We paid a visit to Touching Miami with Love, Urgent Inc., and Miami Gardens Elementary School. The toy drive was a huge success, thanks to the generosity of everyone who contributed!

Spreading Holiday Cheer!

Trading in spreadsheets for jingle bells, M.J. and Evelyn transformed from Business Development Specialist to Santa and Mrs. Claus, spreading holiday cheer through Holtz Children's Hospital. Candy canes and teddy bears became the currency of the day, each one a silent promise of joy. M.J. and Evelyn painted memories brighter than any ornament, reminding everyone that even within hospital walls, the magic of Christmas could bloom.
